Describe which goals were achieved (and how) and which goals were not achieved (and why): 1. Residents obtained Easter eggs, chocolates, and a slip of paper rolled into the egg describing integrity. 2. Residents were curious about the slip of paper, and upon reading it, understood that integrity was not about other people being honest, but them as well. 3. Residents will obtain Easter eggs and chocolates 2. Residents will learn what integrity truly means and how it can apply to them personally 3.
